

Etihad Airways is the fastest growing airline in the history of commercial aviation. The airline started in 2005 in Abu Dhabi (AUH) and now operated more than 1,000 flights per week and flies to over 90+ worldwide destinations. Our North America gateways are: Atlanta, Boston, Chicago, New York, Toronto and Washington DC and Charlotte starting in May 2026.

KEY POINTS:

- **Chauffeur Service:** Book a free airport transfer with our Etihad Chauffeur service in the UAE for First and Business guests. Our fleet of Mercedes Benz limousines will transfer guests anywhere within the UAE. Book at www.etihadhub.com/en-ae/chauffeur
- **Fleet:** Etihad's fleet is one of the youngest in the world, averaging 8.8 years.
- **U.S. Immigration Preclearance in Abu Dhabi Airport:** Etihad Airways guests flying to the US from Abu Dhabi Airport can make use of our US Customs and Border Protection Facility. The service enables guests to pre-clear the US Customs and Border Protection formalities before boarding their flight in Abu Dhabi, treating them as domestic arrivals. More information can be found at www.etihad.com/uspreclearance
