# About Korean Business Class In-Flight Meal

## Premium wines and champagnes

Our selection of wines has been curated through blind tasting by Marc Almert, who was crowned ASI World's Best Sommelier in 2019.

## High-quality Korean meals

We've prepared a variety of Korean dishes that you can enjoy exclusively on Korean Air, including bibimbap, braised mackerel, ssambap, acorn mukbap, and buckwheat bibim noodles.

## Variety of snacks

For long-haul flight passengers, a wide selection of snacks are offered, including ramyeon, cookies, pizza, and jerky.
